FARM PERMIT NUMBER _____

Application for a Farm Building

Farm buildings and structures are exempt from the Uniform Statewide Building Code (USBC). In order to qualify for the exemption, a structure must be used for a specific purpose that is directly related to farming operations. The VA. USBC 102.3 #6 defines a farm building/structure as follows:

"Farm building or structure" means a building or structure not used for residential purposes, located on property where farming operations take place, and used primarily for any of the following uses or combination thereof:

1. Storage, handling, production, display, sampling or sale of agricultural, horticultural, floricultural or silvicultural products produced in the farm;
2. Sheltering, raising, handling, processing or sale of agricultural animals or agricultural animal products;
3. Business or office uses relating to the farm operations;
4. Use of farm machinery or equipment or maintenance or storage of vehicles, machinery or equipment on the farm;
5. Storage or use of supplies and materials used on the farm; or
6. Implementation of best management practices associated with farm operations.
