

Emergency Support Function # 13 – Public Safety and Security

ESF Coordinator

Floyd County Sheriff or designee

Primary Agencies

Floyd County Sheriff's Office

Support Agencies

Fire Departments

EMS

Floyd County 911

Virginia Department of Transportation (VDOT)

Virginia State Police (VSP)

Introduction

Purpose:

- Maintain law and order;
- Provide public warning, with coordination through ESF#2 and ESF# 15;
- Provide for the security of critical facilities and supplies, including shelters;
- Provide a “safe scene” for the duration of a disruptive incident;
- Provide access control to evacuated areas or critical facilities;
- Traffic control, as needed
- Leads ground search and rescue operations; and
- Assists with the identification of the dead.

Several factors may require outside assistance to respond to the event:

- Law or regulation may require involvement of state or federal agencies due to circumstances of the event (e.g. a terrorist event); and
- If the locality is impacted by a larger event that affects the region.

Scope:

ESF #13 responds to an emergency in the locality using existing procedures. These procedures are in the form of department directives that cover all-hazards disasters and acts of terrorism.

Policies:

- Floyd County Sheriff's Office will retain operational control;
- The operational plan will be coordinated with the local government's plan pursuant to Code of Virginia;
- Law enforcement will coordinate the response with other ESFs on the details of the events;
- Coordinate with Emergency Management to identify areas of potential evacuation;
- Floyd County has in place appropriate MOUs and Mutual Aid agreements; and
- The plan and the incident command staff may become subordinate if other organizations are called upon.

Concept of Operations

General:

Existing procedures in the form of department directives may provide the basis for a law enforcement response in times of emergency. The mission of ESF # 13 is to maintain law and order, protect life and property, provide traffic control and law enforcement support, secure essential facilities/supplies and coordinate mutual aid.

The Communications Center is the point of contact for the receipt of all warnings and notification of actual or impending emergencies or disasters.

Organization:

- Local Law Enforcement will utilize their normal communications networks during disasters;
- Designate areas that need to be evacuated;
- Provide traffic control and security; and
- Coordinate with local law enforcement if the event exceeds the local capability.

Actions/Responsibilities

- Maintain police intelligence capability to alert government agencies and the public to potential threats;
- Develop strategies to effectively address special emergency situations that may require distinct law enforcement procedures, such as civil disorders, hostage taking, weapons of mass destruction, terrorist situations, and bomb threats/detonations;
- Test primary communications systems and arrange for alternate systems, if necessary;
- Assist with the implementation of the evacuation procedures for the threatened areas, if necessary;
- Provide traffic and crowd control as required;
- Provide security and law enforcement to critical facilities;
- Implement existing mutual aid agreements with other jurisdictions, if necessary; and
- Document expenses.
- Coordinates backup support from other areas;
- Initial warning and alerting;
- Security of emergency site, evacuated areas, shelter areas, vital facilities and supplies;
- Traffic control;
- Evacuation and access control of threatened areas; and
- Assist the Health Department with identification of the dead.
