AEP – RESIDENTIAL ELECTRIC SERVICE GUIDE

HOW TO APPLY FOR NEW RESIDENTIAL ELECTRIC SERVICE

1. Apply for building permit.
2. Call AEP “CALL CENTER” at 1-800-956-4237 and give the following information. (Call Center is open 24 hours/day, 365 days/year).
 - ❖ **Service name, street name, lot number. *MAKE SURE THIS NAME AND ADDRESS ARE THE SAME AS ON THE BUILDING/ELECTRICAL PERMIT**
 - ❖ Phone number (pager, cell phone if applicable) for home and work.
 - ❖ Location of service site (landmarks, streets, roads, etc.) for AEP personnel to find site.
 - ❖ Do you want this service **overhead or underground**? In most cases there is no charge for an overhead service to a residence with an occupancy permit from the county building inspector. There is almost always a charge for underground service. An underground agreement would have to be signed and payment received before a work order is issued.
 - ❖ Is this a **temporary** service? Temporary service is not always readily available. **If this is a temporary service, you will need to make another application for permanent service.** This can be done at the same time as the temporary application.
 - ❖ What has to be done to serve you? Do you know how close you are to an existing power line? Will AEP need to cross other properties to get to yours? When extending power line, AEP is required to secure a right-of-way easement from every property owner involved.
 - ❖ When will you need service? Sufficient advance notice needs to be given to meet a realistic service date. Design on your service will begin shortly after your application is received, **however, Virginia state law requires that prior to electrical service being installed, we must receive an approved electrical inspection from the town/county inspector before final connections can be made.**
 - ❖ **Write down the AEP order number(s)** from the call center for future reference.

*****AEP does not need a 911 address to set your application up for new service.** If they say that you have to have an address he/she is not correct. Any problems at all when you call please get their full name and their extension number, (yes they do have a extension number) and call our office at 540-745-9359 or have them to call and we will be glad to get things straight with them.
